This answered my earlier question... I'm not sure if you will be at the structures event or not. I'm scheduled to be at NECR that day. Are we invited? Should I change my plans if you can't be there?

Thanks,  
Dawn

Keith,

Here is the slide presentation that Roosevelt Irrigation District gave Julie during a meeting last month. If the meeting is scheduled for the 5th, perhaps we could meet before the big meeting and I can give you more detail in person. They are not expecting any response from us during the meeting on the 5th, but just want to get the issue on the table.
